

INDOOR ARCHERY RANGE

INDOOR STARTER RANGE

Our indoor starter range is 6 lanes wide and 10 yards long. It's perfect for testing or tuning your bow. We also offer youth archery classes in our indoor starter range.

ADVANCED RANGE

Our advanced range is perfect for more experienced archers looking to hone their skills. At 16 lanes wide and 40 yards long, the advanced range offers movable targets that can be placed between 5 and 40 yards. It also features televisions and comfortable seating so you can relax. During the winter, our indoor 3D league is hosted on the advanced range (offering hunters and target shooters alike to better their skills, and shoot at foam animal targets). Cost to shoot the 3d indoor league is \$80 dollars for early sign up or \$10 dollars per round for the public!

Cost to shoot on our starter and advanced ranges is \$9 per day or \$150 for a 1 year range pass. Receive a 1 year range pass for free with the purchase of a new bow.

YOUTH ON THE RANGE

Kids always shoot free in our Indoor Archery Ranges. Kids bow rentals are available for \$20.00
